THE GEOGRAPHIC POSITION OF MOROCCO

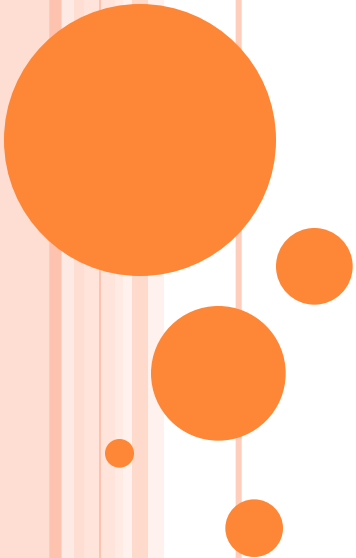

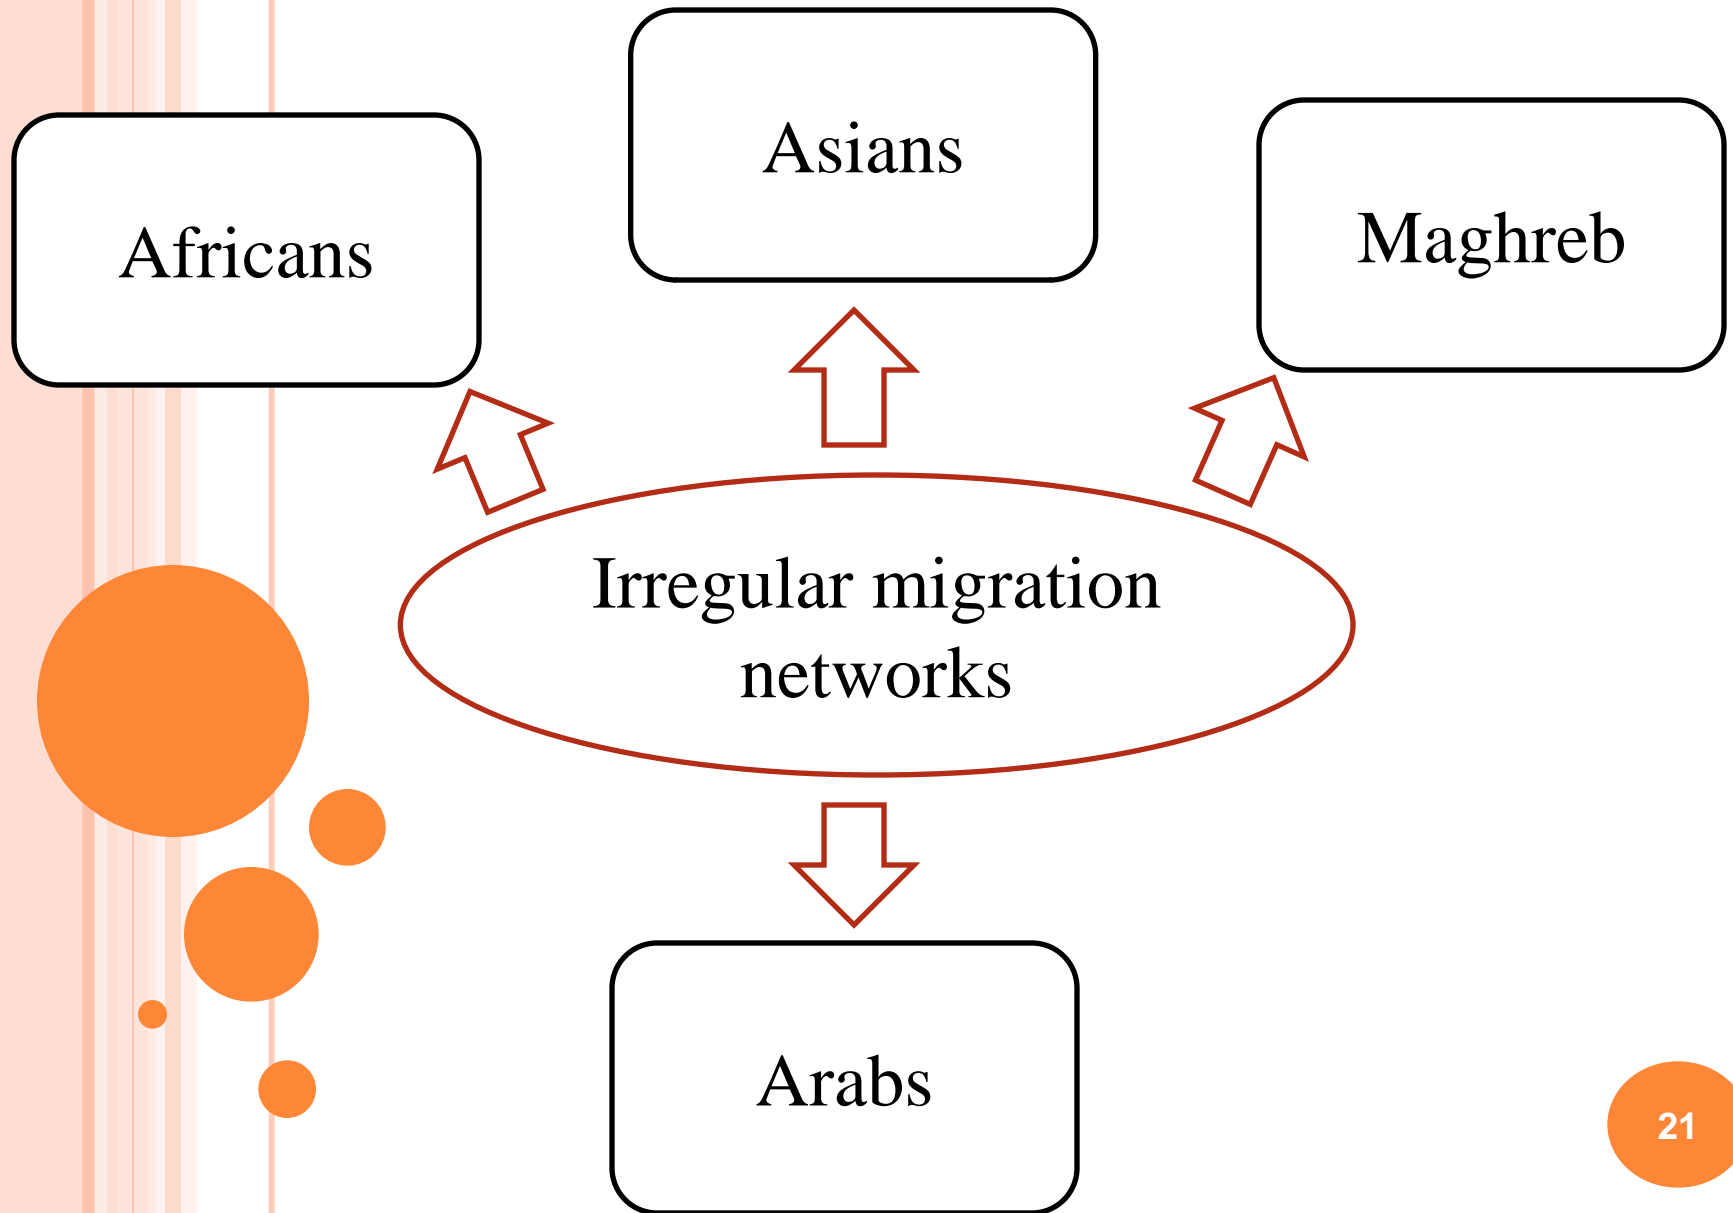

A large number of stolen or lost documents are available on the market of document fraud

The evolution of forgery techniques

Expansion of the phenomenon of migration through using document fraud

Asian networks

STRATEGY

Morocco initiated a global strategy on the fight against irregular migration that is structured around 6 pillars:

- I- Legislative and regulatory
- II- Institutional
- III- Operational
- IV- Socio-economic development
- V - Sensibilisation
- VI - Cooperation

I – LEGISLATIVE AND REGULATORY REFORM

- ❖ Legislation : Law 02.03 on entry and stay of foreigners in Morocco.
 - Criminalisation of trafficking in persons
 - Protection of migrants' right
 - Permanent adaptation (Amendment to criminalise accommodation of illegals)

III- OPERATIONAL PILLAR

- ❖ Systematic surveillance of forests;
- ❖ Search operations;
- ❖ Reinforcing control of land, maritime and aerial borders;
- ❖ Land and maritime patrols;

V- AWARENESS RAISING PROCESS

- Information campaigns
- Close collaboration with the media

CONCLUSION

- ❖ Longer waiting period
- ❖ Morocco is becoming a country of destination
- ❖ Shared responsibility among all the countries in the region
