THE RETURN PROCESS

- Best Interest of the Child Determination (BID)
 - Convention on the Rights of the Child (CRC)
- National level: UAMs – shared responsibility between different actors (SMA, municipalities, social authorities, legal guardian)

Challenge: Improved cooperation between the different actors to raise awareness of the asylum and return process and to involve different stakeholders early on in the return process.

- Orderly reception in the country of origin
 - family reunification > family tracing
 - reception by competent authorities/organizations

Challenge: Communication with relevant stakeholders in different countries of origin

- Yearly return 2014-2016: 50-60 minors

Support to minors

- Reestablishment support to selected countries
- Enabling Safe Return of Unaccompanied Minors to Uganda- Pilot project
- Family Tracing and Safe Return of Unaccompanied Minors from Sweden to Morocco
- ERIN - reintegration
