TETELISO

Youth employment in the agricultural sector

- The revitalization of the agricultural sector to check the phenomenon of rural exodus and emigration
- Mohamed Lamine HAIDARA, Responsible for the platform for Youth entrepreneurship platform in agribusiness

Presentation outline

☐ **Presentation of Mali Agribusiness Incubation Hub (MAIH-TETELISO)**

- Background

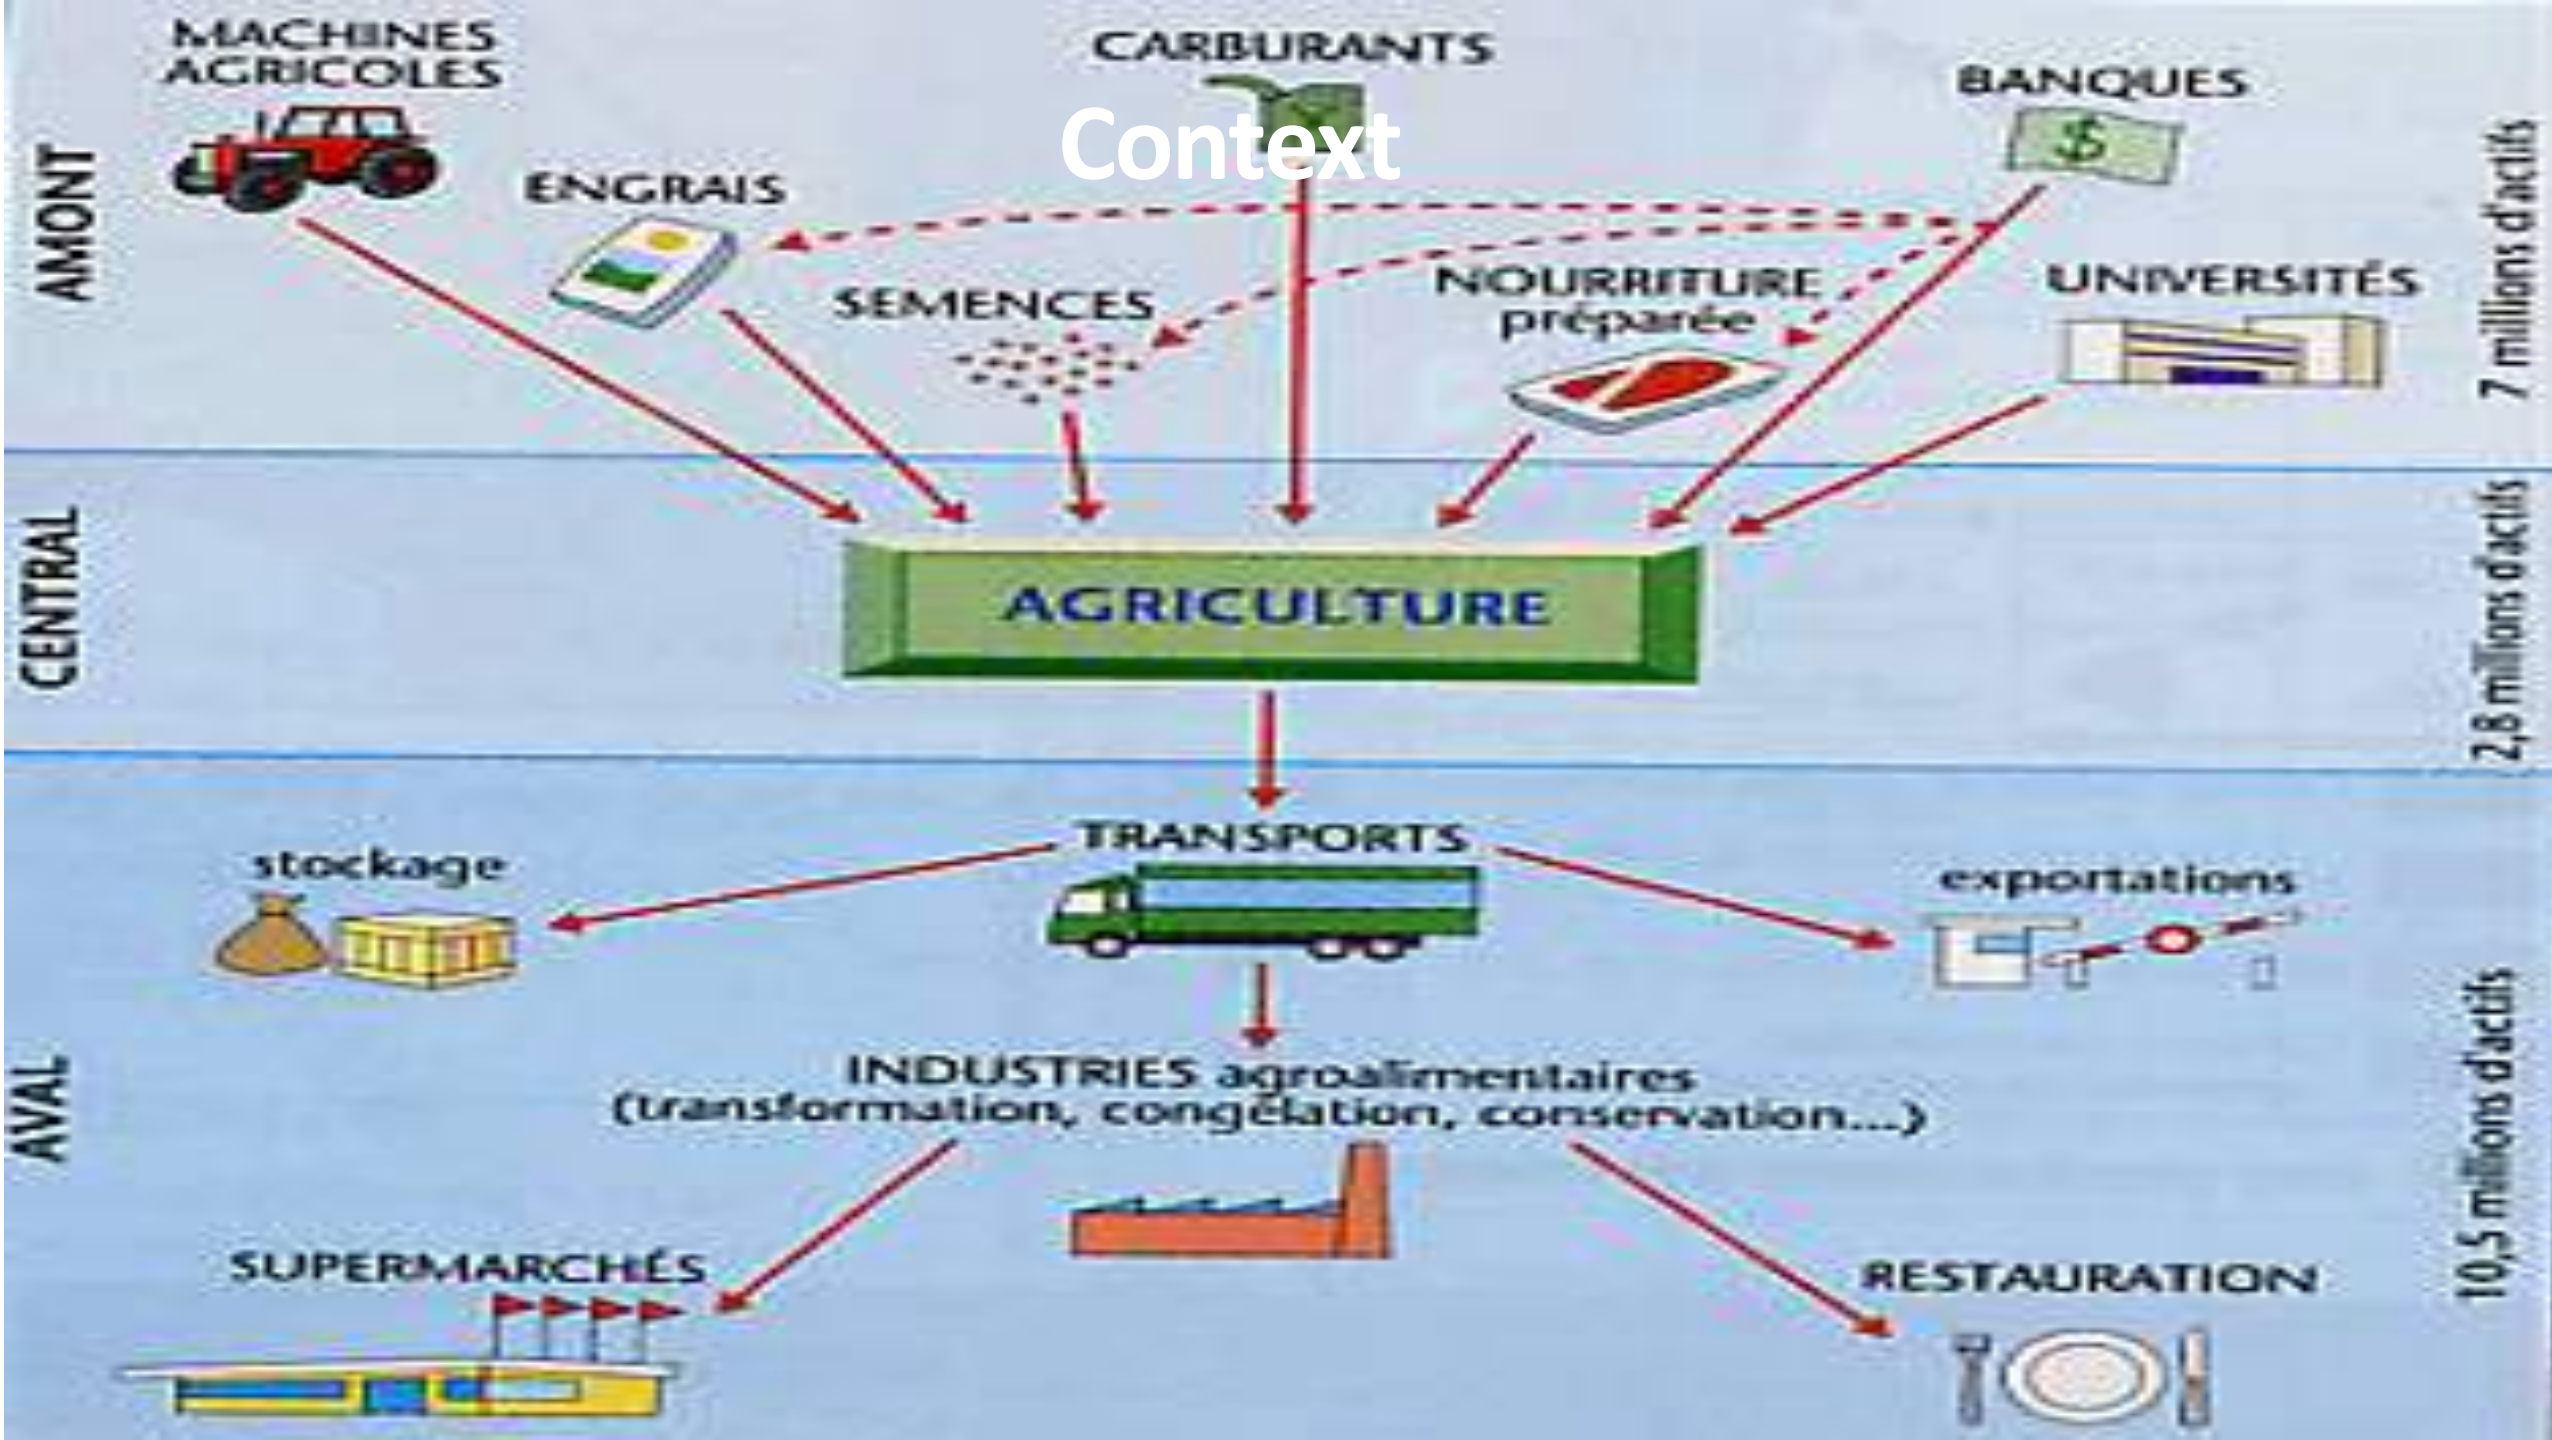

☐ The revitalization of the agricultural sector to check the phenomenon of rural exodus

- Strengthening the mechanisms of interaction between farmers, extension workers and researchers (young people from rural areas)
- Interpretation of research findings
- Ensuring sustainable rural development by making the rural development sector the engine of the country's economic growth
- Creating added value
- Use of ICT

Context

Context

Background

Why an incubation center?

- Lack of encouragement and motivation of the social system;
- Existence of potentialities, but very little exploited (research findings);
- Issues related to the issue of youth employment (rural exodus, migration, terrorism etc.);
- Awareness of opportunities in the agricultural sector
- Creating added value (Start up, cooperatives, Associations etc.)

Improved Cultural Techniques Responding to Users' Needs

Improved equipment for sowing and application of micro-dose fertilizers

Available technologies

Performing varieties of corn

Performing varieties of sorghum

CSM 631 - DIAKUMBI

STANGANIGUI

WASSA

DIEMA

Improved animal breeds adapted to socio-economic conditions

GUERIN

MERENI

WASSA CHE

Visit to a guinea fowl farm of one hatched in Ouéllessébougou

Appropriate training modules for capacity building of rural development players

Enhancement of local cereals

Couscous of millet with leaves

**Couscous with spinach
leaves and amaranth**

Corn-buns

Royal Rice

Rice-cowpea

RIAL (Rice Peanut Milk)

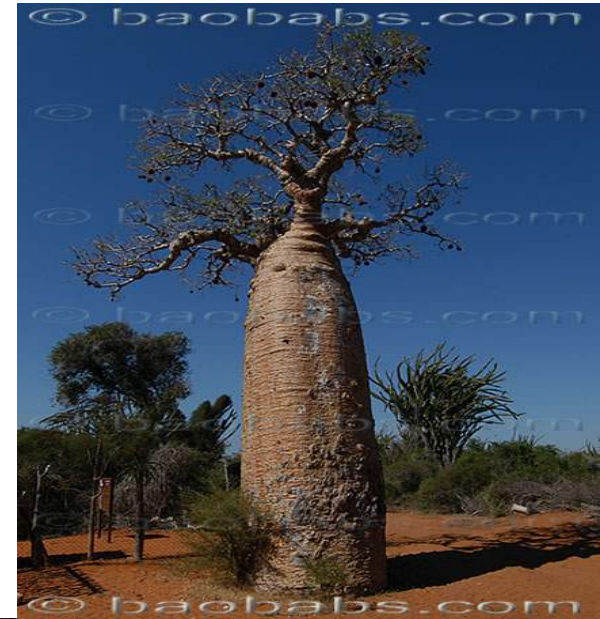

Tasting sessions of hatched products

Available technologies

Improvement and domestication of local fruit trees

- ☐ Shea grafting
- ☐ Improved jujube (sahel apple)
- ☐ Grafted Tamarind
- ☐ Grafted Baobab
- ☐ Association of market gardening and fruit trees (Date palm, grafted jujube tree)

Day of interaction between producers, extension workers and researchers

Impact of ICT on agriculture

WITH SCIENCE, LET US MAKE ENDLESS POSSIBILITIES OF NATURE!!!

ALWAYS DO WHAT YOU LOVE TO DO, AND HAVE FUN DOING IT .

Thank you for your attention
